"At least seven days' notice of every general meeting shall be given by notices posted up in at least three conspicuous public places in the improvement district. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The Secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly qualified agents of such owners, or the legal representatives of such owners who have died, become insolvent or insane, and are not of Chinese, Japanese, or other Asiatic or Indian race. No person shall be entitled to vote at any annual or other general meeting while there is owing to the improvement district in respect of the land held by him any taxes, tolls, or other charges other than those levied, fixed, or

In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Water Board a true copy of the minutes of such meeting."

10. All words and phrases given special meaning in section 2 or section 165 of the said Act shall, where used herein, be ascribed the meaning given them in the said sections unless the context otherwise requires.

14. No member shall be held individually responsible for the result of any legal action that may be taken against him because of any act done by him, or omitted to be done, in good faith, as a member of the Board. In the event of costs or damages being assessed against him in any such action, such costs or damages shall be paid by the Board.

15. All acts done by the Board, or by a committee of the Board, or by any person acting as a member, shall, notwithstanding that it be afterwards discovered that there was some defect in the election of any such person as a member, or that he was disqualified, be as valid as if such person had been duly appointed and was qualified to be a member.

Disqualification of Members.

16. The office of member shall be vacated if the member:—

- (a.) By notice in writing to the Board resigns his office:
- (b.) Holds any other office of profit under the Board:
- (c.) Is found lunatic or becomes of unsound mind:
- (d.) Is absent from six consecutive meetings of the Board without reasonable cause and such absence is recorded by a resolution of the Board disqualifying such member. Before such resolution becomes effective the Board shall call a meeting of the delegates who elected it, which meeting may confirm or annul such resolution:
- (e.) Is convicted of any offence under the Act:
- (f.) Is concerned or participates in the profits of any contract with the Board: Provided, however, that no member shall vacate his office by reason of his being a member of any company which has entered into contract with, or done any work for, the Board; but a member shall not vote in respect of any such contract or work, and if he does so vote his vote shall not be counted.

Duties and Powers of the Board.

17. The Board shall have power:—

(1.) To meet for the dispatch of business and adjourn and otherwise regulate meetings as it thinks fit. Questions arising at any meeting shall be decided by a majority of votes. Two members shall constitute a quorum at any meeting of the Board.

(2.) To engage and dispense with the services of such servants, agents, and other persons as it

deems necessary for the conduct of its affairs, and to rent such premises as may, in its opinion, be necessary.

(3.) From time to time to issue such orders, rules, and regulations as may, in the opinion of the Board, be necessary in pursuance of its powers.

(4.) Either generally or in any particular case, or for any particular time, to exempt from any order, rule, or regulation any grower, shipper, or class of shippers of a product in any locality within the area, or any class, variety, grade, or size of any such product; and revoke such exemption; and also to exempt such persons as may be determined by the Provincial Board.

(5.) To require a shipper or grower to furnish to the Board from time to time complete and accurate records and estimates of any such product which he has or will have for marketing within the Province and as to the time or times at which the same will be so available.

(6.) To regulate the time and place at which a product shall be marketed within the Province, and to determine the manner of distribution, the quantity, variety, grade, or size of a product that shall be marketed within the Province by any person at any time, and to prohibit the marketing of a product.

(7.) To designate the agency through which a product shall be marketed within the Province. In the exercise of this power the Board shall not eliminate or discriminate against any established marketing agency which complies fully with the orders, rules, and regulations of the Board.

(8.) For the purpose of ascertaining whether the orders, rules, and regulations of the Board are being complied with, to inspect the books, accounts, and records and documents of a shipper relating to a product; and for this purpose to employ an auditor, who shall be a chartered accountant, and who shall be responsible for the integrity of any assistant employed by him; also to order a shipper to render such assistance to an auditor so appointed, by way of producing books and records and by giving information as may be required by the auditor.

(9.) To require a shipper to make true and accurate returns to the Board, and to file with it copies of invoices, contracts, bills of lading, accounts, and other documents with respect to any product marketed within the Province by him, and with respect to the proportion or quantity of such products marketed, and also in case the Board deems it advisable to require a shipper to make a statutory declaration in respect to the accuracy of such returns.

(10.) To require a shipper to give to any person transporting a product marketed within the Province permission to furnish to the Board any information in possession of that person which the Board may require with respect to any product transported by that person, and permission to inspect the records of that person relating thereto.

(11.) To require a grower to register his name and address with the Board, and to furnish the Board with the description and quantity of the different products grown by him, and of the acreage upon which such products are produced, at such times and in such form and containing such other information as the Board may direct.

(12.) To order that a grower shall not deliver a product to any person not licensed as a shipper by the Local Board constituted under the scheme approved under the Dominion Act.

(13.) For the purpose of carrying out the orders, rules, and regulations of the Board, to enter, either itself or through any agent of the Board, the lands of any grower and the premises of any shipper at any reasonable time.

(14.) To co-operate with and to act as agent for any Board or agency established under the Act or under the law of any Province in conformity with the Act or under the Dominion Act.

(15.) To exercise such other powers as may be delegated to the Board by the Provincial Board within the scope of its authority.

18. The Board shall keep proper books and records of its transactions, and employ a chartered accountant to audit the same. Minutes shall also

be kept of the proceedings of the Board, and any such minutes shall, if signed by a person purporting to have acted as Chairman of the meeting to which they relate or at a meeting at which they were read, be evidence of these proceedings; and the meeting to which any such minutes relate shall be presumed, until the contrary is proved, to have been regularly convened and constituted.

19. Copies of all minutes, orders, rules, and regulations of the Board shall be forwarded forthwith to the Provincial Board.

20. The Board shall prepare a report covering its activities during each season, and send a copy of such report to each registered grower and to the Provincial Board before May 15th each year.

21. The Board shall appoint an advisory representative from the Main-line District and advisory representatives from the Eastern District, if nominated by the growers in their respective districts. The duties and remuneration of these advisory representatives shall be determined by the Board.

Shippers' Advisory Council.

22. There shall be appointed an Advisory Council of Shippers, consisting of four members, each of whom shall be engaged in the marketing of tree-fruits. One member shall be appointed by the Associated Growers of British Columbia, Limited, one by the Grower-Shippers' Association, and two by shippers not affiliated with either of the two organizations above mentioned. In the event of failure to so appoint any member, the appointment of such member may be made by the Board. The duties of the Shippers' Advisory Council shall be to consult with the Board from time to time, and to keep them advised of the views held by shippers in respect to the policies that should be followed by the Board to regulate within the Province the tree-fruit industry.

Requirements as to holding a Poll.

23. Before March 31st, 1935, a poll of all registered growers shall be taken to determine their wishes with respect to the continuation of this scheme and any additions or amendments thereto, and a similar poll may be held annually or at such time or times as the Provincial Board may determine.

24. Except as herein or by the Provincial Board otherwise provided, every poll shall be held or taken in the following manner:—

- (a.) Ballots shall be sent by post to every registered grower:
- (b.) Notification of the holding of a poll and of the date and hour at which such poll shall be closed, and of the date and hour and place of the counting of the ballots, shall be published in at least six newspapers circulating in the districts in the area, unless such publication is dispensed with by the Provincial Board:
- (c.) The ballots may be returned by post, or delivered in a sealed envelope, addressed to "The Returning Officer," British Columbia Tree-fruit Board, Kelowna, B.C., and marked "Ballot":
- (d.) The ballot to be valid must be signed by the registered grower, or some person duly authorized in writing in that behalf, in which event a true copy of such authority must accompany the ballot:
- (e.) At least two weeks must elapse between the mailing of the ballot to the registered grower or the publication of the latest notification of the poll as above provided (whichever shall be the later) and the date fixed for the closing of the poll:
- (f.) The date for the counting of the ballots shall be fixed not earlier than three days from the date of the closing of the poll. Any ballot returned by post in an envelope bearing a post-office mark indicating that the envelope was posted on or before the date fixed for closing the poll shall be counted if received prior to the conclusion of the counting of the ballots, notwithstanding it may have been received after the date fixed for closing the poll:

- (g.) Upon the date and at the hour and the place fixed for the counting of the ballots, the Returning Officer shall publicly open the envelope containing the ballots in the presence of two scrutineers, and shall count the same, and shall publicly announce the result of the poll, and shall forthwith report the same to the Provincial Board, together with such other information concerning the poll as the Provincial Board may require:
- (h.) The Returning Officer shall be a registered grower and shall be named by the Provincial Board:
- (i.) The scrutineers shall be two in number and shall be registered growers and shall be named by the Board:
- (j.) No grower shall be entitled to vote or hold any official position in respect of the scheme unless he is registered: Provided that, in the event of a poll being held, a grower who is not registered may vote upon making and filing with the Returning Officer conducting the poll a statutory declaration that he is a grower within the meaning of the scheme. Such declaration shall contain as well the information required to be given by a grower upon registration. Upon such declaration being filed, the name of the person so filing same shall be added to the register of growers, together with his address and such other particulars as are required for registration under this scheme. Every Returning Officer conducting a poll shall have power to take and administer the statutory declaration above mentioned.

Penalties.

25. Any person who fails, neglects, or refuses to comply with any order, rule, or regulation of the Board shall be liable, upon summary conviction, to a fine of not less than \$25 and not more than \$500, or to imprisonment not exceeding three months, or to both fine and imprisonment.

General.

26. All growers, whether registered or not, subject to the exemptions herein mentioned, shall comply with the orders and regulations of the Board.

27. Any grower or shipper within the area who is aggrieved by any act or omission of the Board may refer the matter for hearing and consideration by the Provincial Board.

28. The register of growers shall be open for inspection at the offices of the Board during any office hour, except on Sundays or legal holidays, and the Board shall furnish a copy of the register or any part thereof to any person demanding it on payment of a fee of 1 cent per name acquired: Provided, however, that a minimum fee of 25 cents may be charged for a copy of any part of the register.

29. This scheme shall be called the "Provincial Tree-fruit Marketing Scheme."

Relation to "Fruit and Honey Act, 1934."

30. The powers conferred on the Board by this scheme and any orders, rules, or regulations made thereunder shall have effect only as long and as far as they are not repugnant to the provisions of "The Fruit and Honey Act, 1934," being chapter 18 of the Statutes of Canada, 1934, and regulations thereunder. 6015-no1
